## What Is God's Dream for You?

### Making Space to Hear God:

- The movements of God are gentle, often subtle.
- What do I need to leave aside to have more inner quiet, to be more like a feather on the breath of God?

### Sensing and Hearing The Spirit's Movement:

- What energizes me? I.e, What is the Spirit drawing me toward?
- Is there anything about it that discourages me or pulls me away from joy or energy? Scares me?
- What is from God? Of me? Of the world?
